

2020 Jr. High Jubilee I & II

Re:VISION

Scripture: John 4:29

The theme of 2020 Youth Celebration calls us to **Come & See!**

	Sunday	Monday	Tuesday	Wednesday	Thursday
Daily Scripture(s)	John 4 & Genesis 2	Mark 6 (Matthew 6:25) & Last Supper Communion Text	Luke 20 & lots of stories of Jesus healing	John 11 & Acts 2	John 20
Biblical Focus	God sees you and invites you to come and see you are of value.	God meets us in tangible things — like bread. God meets our physical needs and spiritual needs.	God has a pattern of letting humans near enough to be healed — physically, spiritually and emotionally. God stops and meets us where we have our deepest need. God embraces woundedness.	God calls us to put off our old self and experience the newness of fellowship with God.	We live in the resurrected time! Go with God's peace, nearer than our breath.
Key Word(s)	<i>SIGHT</i> <i>God sees you as a person of value.</i>	<i>TOUCH & SMELL</i> <i>Explanation of Communion.</i>	<i>TOUCH</i> <i>Feel/Feelings</i> <i>God cares for/wants to know all parts of you.</i>	<i>SOUND</i> <i>God calls you to a new relationship with God and to share that with others.</i>	<i>BREATH</i> <i>God's presence gives you peace to go forth.</i>
Morning Keynote	John 4 The Woman at the Well God's presence with an outsider, the call of the community to come together and see	Mark 6 Feeding the 5,000 Jesus meets our needs through various ways (community providing for each other, bigger story of scripture of God meeting the needs of God's people.	Luke 20 Thomas & Jesus Theological explanation of God inviting us to bring our darker/hidden stuff/deepest needs to God.	John 11 Jesus & Lazarus God calls Lazarus out of death into new life. We've learned a lot about God's nearness and calling us to live a new life. Come out of your old life!	John 20 Go to Heaven
Guiding Question(s)/Thoughts	God-breathed means our worth comes from being loved by God.	Think about the variety of backgrounds coming to JHJ and be sensitive about students whose daily bread could be a real need.	Touch is two ways — Jesus reaches out and touches physical needs and feelings. We serve a God who says "Reach out and Touch me." What are the feelings we feel when we feel lost? When we encounter Christ?		
Evening Worship/Vespers Focus	Genesis 2 We are God-breathed. Everyone is God-breathed. Together, we are invited to "come and see."	Communion Text (Matthew 26) While God provides for our physical needs, God also meets our spiritual needs. Explanation of Communion.	Luke 8, Luke 7, Mark 10, Matthew 8 Lots of stories of God touching to heal the deepest need. Get youth involved in telling these stories.	Acts 2 We are called — community focus of our new discovery of nearness.	
Other Supporting Scriptures	Psalms 66:1-5	Psalms 34 Luke 13:29
